Dear Madam:

This office is in receipt of Form 755, claim for exemption from Federal Admission Tax, in connection with a game to be held August 6, 1940 for the benefit of Community Hospital, Newark.

While the form is properly signed and executed, we are unable to issue the exemption at this time, for the reason that you do not furnish us with the details of any contract or agreement regarding expenses or talent, as called for.

Under clause 3 on Form 755, it will be necessary for you to send a true copy of the original contract or agreement for such talent, services or expenses that may be involved in connection with the event. Or, if no copy exists, and the agreement is verbal, please furnish a statement outlining the terms of such agreement.

On receipt of this information, your claim will receive careful consideration.

Respectfully yours,

John E. Mann
Collector.
